

# Our Savior Evangelical Lutheran Daycare

## The Little Spark

August 2011

Summer Themes—Beach Luau, Little Explorers and Carnival!

*We have been enjoying a wonderful summer with all the children and we are looking forward to finishing the summer with many more fun memories, especially during our carnival week. If you have any fun decorations, crafts or games you would like to share please talk with one of our caregivers.*

*An important reminder: registration is August 18<sup>th</sup>. Please plan on coming to registration even if your family has been using daycare throughout the summer, because we will need to have each child's file updated. If for some reason you are not able to make it, please contact Lisa Lang in the office.*

### Infant Corner

We are so thankful to Livingston County 4C council for granting us money to add a floor mirror, a soft and cozy chair and display lines. Please come and check it out in our room!

### *Bible Theme:*

*We need a Savior*

*Week 1: We need God's help*

*Week 2: God's law is good*

*Week 3: We are weak, but He is strong*

*Week 4: Jesus is the true God*

Please remember:

Daycare schedules are due each Wednesday by 6:00pm for the coming week; this guarantees your child's care for the following week. You can do this by turning in your child's weekly schedule form or by emailing the next weeks schedule to our daycare email. Thank you!
