### **A Letter from the School Board**

The School Board would like to thank the parents for your support of the silent auction which was held last Friday. Your time, talent, and donations are greatly appreciated. A special thanks goes out to the classroom coordinators - Kerry Graney, Kenna Giddings, Kellie Roesner, Michelle Pushman, Marianne Potter, Sarah Barren, Carolyn Robbins, Elizabeth Grupp, and Amy Terao. All the beautiful creative baskets that you prepared added a touch of class to the event. In total, \$1290 was raised through auctioning your items. Members of the school board are delighted and encouraged by your support. Once again, thank you.

## Automated Statements Update

The first batch of automated statements was sent the evening of Sunday 11/3! We are pleased to provide you with a higher level of security that mailing directly from Shelby provides. As a reminder, you would only expect a statement in months with activity or if you have a balance (due or credit) on your account. For families that did not provide an email and phone number, the 'Family Phone' listed in Sycamore and the email address of the 'bill to' parent was used. If you believe you should have received a statement and did not or if you need the account email or phone updated, please contact [nspan-gler@oursaviorhartland.org](mailto:nspan-gler@oursaviorhartland.org).

## Cafeteria Student Supplies

The cafeteria is running low on spoons, forks, and napkins for student use. Please remember to send needed items in your child's lunch. Donations for backup items are welcome. Our backup supply for forgotten lunches is also low (ie., macaroni and cheese or other kid-friendly microwave meals).

## Lego Robotics

There are 9 students signed up for Lego Robotics, which begins next Thu, Nov 14. If you have a 4th or 5th grader who would like to sign up, there are 3 spots remaining, and you may still do so (on a first-come, first-serve basis). The cost is \$25; forms are available in the office.
