Information on the Kindergarten Enrichment Program

Curriculum: Throughout the school year at Our Savior, the children will hear Bible stories from the Old and New Testaments. The children will know that Jesus loves, forgives, and cares for His little children. Children will be enriched with topics that have been introduced in the kindergarten classroom, such as phonics, writing, counting, telling time, measuring, and Bible stories. The children will have stories read to them that will enhance the development of listening and speaking skills.

Additional Activities: The children will participate in an art class. They will use computers to further their development of the skills being taught. They will be eating lunch with their friends in the cafeteria and participating in another recess.

For further information: Contact Our Savior Lutheran School at 248-887-3836. You are welcome to visit our school at anytime - 13667 West Highland Rd. Hartland, MI 48353.
