Additional Supplies

Grades 2 – 8: Every hardbound book must be covered with paper or cloth book covers. Covering books helps them last longer. Brown paper bags work well for hardcover books. Please make sure your child's books remain covered for the entire year. Fees for damaged books are assessed at the end of each school year.

Gym shoes (with non-marking soles) are to be worn only for PE Class and other gym activities and should be kept at school. – **label with name**

Students in grades 2 – 8 are required to have an ESV Bible. Students who currently have an NIV Bible may use it; however, the religion curriculum used at the school has changed to the ESV for all Bible readings and notations. Some students may find it confusing to follow along in an NIV Bible which has slightly different wording. It is recommended that students who have not previously purchased a Bible as part of the school curriculum should use an ESV Bible. This item can be purchased at orientation or through the school office. Cost of a Bible purchased through the school is \$23.00.

Students in Grades 2 – 8 are required to have a Lutheran Service Book. This can be purchased at orientation or through the school office for \$32.00.

Students in Grades 5 – 8 are required to have an ESV Luther's Small Catechism. This can be purchased at orientation or through the school office for \$25.00.

Students in Grade 4 are required to have a recorder instrument. This will be purchased at orientation for \$11.00 and handed out the first day of music class.

Students in Grades 5 and 6 are required to rent a band instrument. This will come up in October via the Band teacher after students have had a chance to try different instruments. If you have financial need, please contact the school office.
